Art Deco-era Bronze Sculpture Lamp - Sea Lion On A Rock

380 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 20cm

Height : 24cm

Description

A vintage Art Deco table lamp depicting a silver-plated bronze sea lion, mounted on a textured stone base. The animal, depicted balancing on a rocky outcrop, supports a spherical amber glass globe used for lighting. The piece combines a bronze structure with a silver-patina finish and a stone base. A period piece exhibiting the stylistic characteristics of Art Deco animal-themed design.
