Description

Enhance your collection with this prestigious silver-plated art plate, the result of the iconic collaboration between poet and artist Jean Cocteau and the renowned silverware house Christofle. Featuring a dazzling mirror finish, this collector's piece showcases a delicately engraved design at its center depicting a feminine profile with clean lines, extended by flowing hair characteristic of the artist's poetic style. The work bears Jean Cocteau's engraved signature accompanied by his iconic star, as well as the number 056/600, attesting to its authenticity and its status as a limited edition. A true work of art and history, this rare piece will bring timeless elegance and a touch of prestige to your home décor.
