## Description

A remarkable American aluminum hard hat from the WILLSON brand, bearing the inscription "WILLSON - Made in USA" on the inside.This hard hat stands out for its highly elaborate engraved decoration covering the entire shell and visor.The surface features a particularly elaborate composition of floral motifs, figures, and architectural scenes arranged in decorative panels, separated by wide raised bands.The engraving work is exceptionally detailed and lends this professional item a truly artistic and decorative character.The helmet retains its inner liner with its retention system.This type of richly decorated American helmet is particularly well-known among souvenirs associated with oil industry workers and engineers abroad during the second half of the 20th century. The exact
