Description

White opaline night set with gold star decoration - Charles X periodNight set, also known as a "water glass" set, made of white opaline with a milky appearance. A scattering of small gold stars adorns the pieces and the rim of the tray. Gold fillets highlight the necks, bases, and rims.The set includes a large carafe with a long, flared neck, a small round-bodied flask, a stemmed glass, and a lidded jar with a button-shaped handle, all presented on a matching circular tray.Some wear on the gilding is visible, particularly along the rim of the glass and on the tray. The carafe and the small bottle are presented without stoppers.
