Description

A very pretty serving cart. Made of solid wood with a light stain, its top shelf--whose sides are openwork to be a Trompe l'oeil of a tray--is adorned with red Formica. Built on compass legs, it features a second shelf below, also made of solid wood. Equipped with its four original metal casters. Unfortunately, I haven't been able to find any information about its designer or a similar model.In good overall condition, though there are a few stains on the wood and several small holes in two places, likely from thumbtacks that were once stuck in it. These are clearly visible in my detailed photos; please look at them carefully--I'm not hiding anything!European Design, likely French or Scandinavian, dating from the late 1950s or very early 1960s.Dimensions: 71.5 cm x 41 cm x 79 cm (H).
