Description

Crystal and gilded brass caviar bowl - Late 19th centuryA superb caviar bowl from the late 19th century, crafted from cut crystal and finely chased, gilded brass.It features a magnificent crystal bowl decorated with geometric and faceted motifs, accentuated by an elegant, richly ornamented gilded brass frame.The piece rests on a refined tripod base, embellished with decorative relief details. The removable lid, topped with a delicate gilded brass swan, adds a particularly elegant and original touch to this piece.A beautiful piece for a reception table, combining the transparency of crystal with the brilliance of gilded metal, reflecting the refined taste in tableware of the Belle Époque.A decorative and collectible piece, ideal for a prestigious table or a cabinet of curiosities.Period: Late 19th
