Description

Two 18th-century Alsatian cabinets, with a gendarme-style top, curved at the front.Made of solid walnut and walnut veneer, with fir backs.Carved interlaced decoration on the central panels of the upper section; the doors on the lower section are molded. Between the two sections is a pull-out shelf or serving board.
Antique locks and espagnolette latches on the upper and lower left doors. The latches are made of steel covered with brass.It likely originates from the Colmar region.
