Width : 41

Height : 34

Description

Henri Barnoin was the great painter of Brittany, particularly during the interwar period, and more specifically of southern Finistère--from Concarneau to Douarnenez, including the Bigouden region and Quimperlé.This composition, depicting the old port of Tréboul, is characteristic of the artist's early period, when he focused more on capturing the true light of Brittany, without embellishments and without the almost "garish" colors of his later work.
