Description

A beautiful sculpted group made of white porcelain biscuit depicting two adorable cherubs with outstretched wings in a tender scene of closeness.This charming composition captivates with its exquisite craftsmanship and rich details: delicate faces, finely curled hair, intricately crafted wings, and small decorative elements at their feet.The biscuit porcelain, with its matte, velvety finish, particularly highlights the figures' modeling and the refinement of this sculpture.A truly beautiful decorative piece, ideal for lovers of bisque porcelain, antique sculptures, and decorative art.Height:
