Description

A 1970s coffee table featuring a minimalist design typical of the era. The frame is made of metal, while the square, clear glass top adds a touch of visual lightness, allowing the clean lines to shine through. The table's legs blend harmoniously with the top, creating an elegant contrast between materials. Ideal for modern or vintage interiors, it serves as a versatile accent piece in living rooms or reception areas. Its compact size also makes it suitable for smaller rooms.MOTATA0323067
