Description

An elegant, antique porcelain mustache cup decorated with a floral relief pattern and gilded borders, featuring ornate handles and an internal shelf (the "garde"); the interior decoration is in perfect condition--see photos.Invented during the Victorian era, this cup allowed men with mustaches to drink tea or coffee without getting their often-waxed mustaches wet or ruining their shape.These cups were very popular from around the 1850s and 1860s through the early 20th century.A circular "Patent" mark on the foot indicates that it was manufactured abroad.Top diameter: 8.5 cmBase diameter: 5.5 cmHandle length: 5.5 cmGrip length: 3.5 cmWeight: 228 gramsIn very good condition and well-preserved, with its original patina; has been used; gilding is slightly tarnished but still clearly visible; no
