Description

Large Petitot Art Deco ceiling lightImportant Petitot Art Deco ceiling light, made in France around 1930.The brass structure retains its original nickel plating and is accented by numerous glass rods arranged in a precise geometric pattern.The remarkable width of 97 cm gives the fixture a particularly strong architectural presence. The contrast between the silvery metal surfaces and the glass rods underscores the modernist character of the design.The ceiling light features four light sources with E14 sockets and has been fully rewired.PetitotFrance, circa 1930Brass with original nickel plating | glass rods4 E14 light sourcesHeight: 47.5 cm | Width: 97 cm | Depth: 55 cm
