Description

This large brooch orflower-shaped clasp is made of a slightly gilded metal and setwith white quartz. It was likely intended to fastena shawl or stole, or to close a bodice. This is a piece ofregional jewelry that we have been unable to place with certainty, although itseems possible to associate it with Provençal craftsmanship. It is ingood overall condition; however, there is a small chip at thebase of the shank.Period: 19th centuryDimensions: 12 cm for the brooch and 14.5 cm in total with the pin.
