Description

Cream-white chamotte terracotta--unsigned--Provenance: the artist's estateAngela Cassanello, born in 1921, was an Italian painter and sculptor. Her art ranges from figurative to abstract, but is distinguished by the expressiveness of her forms, a fluidity of movement, and her treatment of the human and animal figures.She spent her career in the Paris region. Documentary sources are scarce; filmmaker Gabor Julio Szepesi filmed the sculptor in her Paris studio in 1985. (An illustrated description sheet will be provided to the buyer.)Weight: 8 kg. Please note: shipping via Cocolis is available only for France, Italy, and Belgium--contact us for a quote and details.
