Description

A large serving platter with a romantic feel, featuring a very elongated oval shape, crafted from fine porcelain and hand-decorated with roses and rosebuds in delicate shades of soft pink and variegated green. The floral arrangement, harmoniously distributed along the rim, is enhanced by an elegant gold border that accentuates the dish's undulating profile.Its slender shape makes it ideal for presenting fish dishes, cold dishes, or simply as a refined decorative element on a console table or a set table.Condition: The porcelain retains its beautiful original luster and all the delicacy of its hand-painted floral decoration. There are slight signs of age and wear, consistent with the object's age. In particular, on the rim of the plate, there are faint traces of an old crown, now barely
