Description

Free shipping is available for mainland France via La Poste or Mondial Relay**********Pewter MILK JUG known as a "Dourne," spheroidal in shape with a stepped foot and a square base with rounded corners, featuring a curved, rimmed spout, a hinged semicircular lid, and a fixed vertical handle. City hallmark: crown / CC / LION / 72.Hallmark of François BARTHOLAY, who became a master craftsman around 1680: crowned B.B. / 1693. Height: 27.5 cm.LYON, circa 1700These "Dournes" most often date from the second half of the 18th century or the first half of the 19th century. The example presented here is therefore an early piece from that period, in very good condition and made of high-quality material.This hallmark dated 1672 contains two errors that were

recently corrected by my colleague Philippe Boucaud. In fact, the date of 1672 is implausible because it predates Louis XIV's 1691 edict establishing the hallmark system, and the number 2 was mistaken for a 9 by the die engraver. Therefore, the correct date is 1697, not 1672. This erroneous die was not re-cut and was used as is until the next recorded date of 1726.**********Website: http://www.commenchal-expert-etains.com/**********GUARANTEE Former professor at IDETH (Institute for Technical and Historical Studies of Art Objects)Former professor at the EAC (School of Art and Communication)Former member of the UFE (French Union of Experts) Jean-Claude COMMENCHAL guarantees the authenticity of the object described above.A detailed descriptive invoice, including a photograph, will be provided to the purchaser upon request.PAYMENT BY FRENCH CHECK PAYABLE TO JEAN-CLAUDE COMMENCHALBY BANK TRANSFER PAYABLE TO JEAN-CLAUDE COMMENCHAL-CLAUDEIBAN: FR76 3002 7160 2700 0206 4620 173BIC: CMCIFRPPSHIPPING Shipped to France via "Colissimo" or "Mondial Relay" within a maximum of 48 hours.
