Description

Melpomene19th-century stipple engraving, Empire periodEngraved by Perrot after a drawing48.2 × 31.4 cm (19 × 12.36 in)This engraving, over 200 years old, has been carefully cleaned by our conservator to remove and reduce the marks left by the passage of time. It showed several fold marks in the lower right corner, which received particular attention during the restoration process.We invite you to examine the photographs carefully, as they form an integral part of the description and provide an accurate representation of the engraving's condition.
