Description

This poster by Jacques Debut advertises Rudge bicycles, manufactured by Lucien Charmet, whose workshop was located at 16 Rue Halévy in Paris. The work on paper has been mounted on canvas. The poster is in good overall condition. Jacques Debut, born in the late 19th century, was a French painter and lithographer who would go on to become a master of poster art. A student of Bonnal, he was a successful watercolorist. His works appeared in numerous magazines, and he published many postcards featuring elegant women. He is known for having exhibited at the Salon des Artistes Français. Dimensions: Height: 160 cm Width: 115 cmMX300
