Description

A lacquered and painted wooden folding screen consisting of four folding panels that enclose central panels depicting architectural capriccios. The painted motifs evoke the evocative atmosphere of classical ruins, typical of the late 19th century. The back is finished with fabric, adding a touch of elegance and versatility. The Italian craftsmanship is evident in the attention to detail and the quality of the materials used, making this screen a refined piece of furniture suitable for a variety of stylistic settings.Product condition:Due to its age and wear, this product requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
