Description

A pair of walnut armchairs, made in Italy in the early 20th century, featuring a refined design that combines comfort and elegance. The curved backrests and seats are padded and upholstered in green fabric, embellished with red trim that accentuates the soft lines of the frames. The curved legs, typical of the period's style, end in elegant scroll feet, adding a further touch of sophistication. This combination of features makes the armchairs ideal for furnishing classic interiors or for adding a stylish accent to contemporary spaces.Product condition:Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the furniture as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the
