Description

- Oil on canvas. Original canvas. Signed and dated on the reverse.- What you see here is not a window; it is the betrayal of the gaze in its purest form: a solid, rustic stone wall opens to reveal--with a precision as magical as it is disconcerting--not the interior of a room, but the absolute reflection of its own absence. Within it, a night sky, studded with stars and white clouds, defies all temporal and spatial logic; it conceals, with the immutable authority of the dream world, a seascape and mountainous landscape that stubbornly denies the physical reality of the architecture that supports it.- Dimensions of the artwork without frame: 46 x 55 cm / 48 x 57 cm with an exclusive, custom-made frame.
