Description

Outdoor table featuring a sturdy solid teak wood frame--known for its weather resistance--paired with a tabletop made from a single slab of soapstone. Soapstone offers a durable and visually appealing surface, ideal for outdoor settings. Produced by the "C G" workshop in Italy during the 20th century, this table combines aesthetics and functionality, making it perfect for gardens and patios. Its clean lines and choice of materials make this piece suitable for a variety of stylistic settings, ensuring durability and timeless style.Product condition:Due to its age and wear, this item requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes
