Description

Teak wood sofa bed, designed for "winter gardens," dating from the 20th century, from the East. The structure features an open-back design that lends lightness to the piece and creates a sense of openness and airiness. The seat is enhanced by a padded cushion, complemented by matching throw pillows that further enhance its comfort. Teak wood, known for its strength and durability, ensures the piece will last a long time, making it ideal for both indoor and outdoor settings and offering an elegant furnishing solution for spaces dedicated to relaxation.Product condition:This product requires restoration and re-polishing due to its age and wear. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the
