Tea Nineteenth Service Silver Metal

580 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Description

elegant English tea set in silver, consisting of three parts, teapot, sugar bowl and milk jug. The teapot handle of eben and the two other parts are based on four scroll feet, all fluted and decorated with garlands of flowers around the edge, all emblazoned with great finesse and chiselling. Excellent condition of the set.
