Nagaïka - Caucasian Whip, Late 19th To Early 20th Century.

1 100 EUR

Period : 20th century

Condition : Bon état

Description

NAGAÏKA - CAUCASIAN WHIP, late 19th to early 20th century. 33175Nagaïka "???????" (short, thick whip)--a silver-nielloed riding crop and dagger decorated with floral engravings, with the whip end finished in braided leather straps. Opens with a button; inside, a double-edged blade with grooves (L 23.5 cm), wooden handles.Length (excluding the whip): 43 cm.Russia19th or early 20th century.Good condition; minor dents on the pommel.NOTES:The nagaika (or nagajka in Russian) is a short leather whip traditionally used by the Russian Cossacks. Originally, it was used primarily to guide and spur the horse during horseback travel. It was borrowed from the Nogais, hence the name "nogaïe" (riding crop).
