## Description

Pair of bronze candelabra "with Cupids," Restoration periodEach candelabra is adorned with a bronze Cupid with a dark patina, supporting a three-armed gilded bronze lamp holder. The sinuous arms, candle holders, and shafts are richly decorated with floral and foliage motifs. The set rests on a square base and presents an elegant contrast between the dark patina of the figures and the gilding of the bronze.A decorative pair with a striking presence, characteristic of the neoclassical taste of the Restoration period.
