Description

Set of six English Windsor chairs dating from the early 20th century.These chairs feature a curved, arch-shaped backrest with vertical wooden posts, a molded wooden seat, and turned legs that flare outward, connected by crossbars. They are crafted in the traditional style of rustic English furniture, with visible signs of wear and a dark, aged patina.The Windsor chair originated in 18th-century England and was produced in various forms over the following centuries.Signs of wear consistent with its age.Dimensions: 85H x 37L x 47P
