Antique Frame From The Louis XVI Period--american Revolution?

900 EUR

Period : 18th century

Condition : En l'etat

Material : Gilted wood

Description

Antique frame, likely from a barometer, carved from wood and gilded, dating from the Louis XVI period (late 18th century)The carved elements depict military trophies featuring an eagle, but there is a distinctive feature not found in Europe at that time: namely the star on one of the flags.It may be a frame made in America during the American Revolution, or a European piece commemorating the American Revolution and thus contemporary with it.
