Description

We are offering this spectacular Italian single bed made of wrought iron, dating from the first half of the 19th century. A true gem from another era, ready to add character to your home. Its light and elegant lines will complement any decor style--vintage, shabby chic, Provençal--or create a sophisticated contrast in a modern bedroom.This bed features intricate wrought-iron decorations with numerous curls, volutes, and brass knobs. The ironwork is entirely handcrafted. Embellished with hand-painted gilded ornamental details, it adds a unique visual accent. It features small iron casters, commonly used in the 19th century; these do not compromise the bed's stability. The bed is in good condition with signs of wear consistent with its age (see all photos). Please note that for an item like this, any signs of
