Large Mahogany And Brass Travel Writing Case - 19th Century

850 EUR

Period : 19th century
Condition : Bon état
Material : Mahogany
Width : 45.5
Height : 24
Depth : 30.5

Description

When opened, the case reveals a two-panel folding writing desk covered in green leather and adorned with a gilded frieze featuring a geometric pattern. These panels form a writing surface and provide access to interior storage compartments. The upper section features several compartments for quills, inkwells, and correspondence accessories.The case also has a side storage drawer, a brass keyhole on the front, and recessed carrying handles on the sides.Original condition with signs of use, surface wear, and visible cracks in the wood of the lid. Patina is present on the metal fittings and the interior leather.
Dimensions: 45.5 × 24 × 30.5 cm
