Condiment Set, Blue Crystal And Silver-plated Metal Breakfast Set - Muet Serving Set

160 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Description

Silent Servant, silver-plated metal and crystal condiment set. Designed to resemble a tree from which hang a pair of salt shakers, a mustard jar, and a pair of oil and vinegar bottles. Today, this set can be used for breakfast to display jams, honey bottles, and maple syrup. A charming decorative piece that's easy to use. Empire style, circa 1900.Very good condition.Total height: 25 cm
