Description

Four hunting dogs resting in an autumnal groveA beautiful animal composition depicting four tricolor hounds gathered in a clearing. One of them is lying down in the foreground, while his companions, standing or sitting, seem to be listening intently to the sounds of the forest.The tall trees, the foliage in autumnal colors, and the ground strewn with fallen leaves lend this scene a peaceful and warm atmosphere.The artist captures with great finesse the dogs' physiques, the variety of their postures, and the expressions in their eyes. A beautiful evocation of the world of hunting with hounds and hunting traditions.Signed "G. F. Rötig" in the lower left corner.
