Description

White gold necklace consisting of a delicate jaseron-link chain with a spring clasp. The white gold chain features an antique openwork motif on the front, adorned with rose-cut diamonds and small red gemstones set in millegrain bezel settings.Period: 20th centuryMain material: white gold, 750 parts per thousand, 18 karats, eagle-head hallmark.Pendant height: approx. 11.3 mm, width: approx. 11.3 mm, thickness: approx. 4 mm, chain width: approx. 1.5 mm, chain length: approx. 45 cm.Net weight: approximately 4.2 g.Antique jewelry--French craftsmanship from the early 20th century for the motif, with the chain dating from a later period. There is a small chip on the main red stone that is invisible to the naked eye.Our opinion: The antique motif comes from an old tie pin; together, they form a delicate,
