Description

An elegant sculpture in fine white statuary marble, depicting a tender composition of two cherubs entwined in a delicate and affectionate embrace. The scene, characterized by extraordinary expressive naturalism, captures a moment of intimate tenderness, enhanced by the softness of the forms and the delicate anatomical rendering of the figures.Of particular note is the quality of the craftsmanship, evident in the meticulous rendering of the curly hair, the depiction of the faces, and the refined movement of the limbs, skillfully arranged in a dynamic and harmonious composition. The whiteness of the statuary marble further enhances the modeling, lending the work a luminosity and formal purity in the full neoclassical style.An Italian-made work, dating to the early decades of the 19th
