Small Table Known As A "chartreux" Table, Circa 1600

680 EUR

Period : 17th century

Condition : Très bon état

Material : Solid wood

Length : 54,5cm

Width : 46,5cm

Height : 67cm

Description

A small table known as a "Chartreux" table, made of walnut, with a side drawer, resting on four turned legs shaped like slender columns connected by a brace and crossbars also turned into slender columns. The nail marks around the edge of the tabletop suggest that it may have been covered with tapestry or leather. The bottom of the drawer is a later addition. France, late 16th-early 17th century.
