# Openwork Bowl Made Of Polychrome Chinese Porcelain - Rooster Design - 20th Century

90 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Diameter : 23 cm

## Description

An elegant, openwork circular bowl made of polychrome Canton porcelain from China, decorated in the "Famille Rose" style, dating from the 20th century.It features a particularly refined composition depicting five roosters with orange-red and black plumage, moving through a flower-filled garden amid branches, birds, and plant motifs.The decoration, executed in a rich palette of polychrome glazes in shades of pink, green, blue, and iron red, is distinguished by the fineness of its details and the vibrancy of its colors.The bowl is adorned with an elegant openwork border, consisting of a series of vertical openings framed by floral friezes and traditional Chinese geometric motifs, accented with gilding.The reverse, glazed white, bears a mark consisting of four Chinese characters in iron-red,
