Description

A beautiful Louis XIII-era cabinet, or "Standing Man," made of solid walnut, 17th century.Composed of two stacked sections, this piece opens at the front with two doors separated by a wide through-drawer featuring two wrought-iron pull handles.The side posts and crossbars are adorned with seven applied twisted half-columns.Two consoles, each carved with a heart, frame the drawer.Each door is carved with four triangles in each corner as well as a large central panel, all with heavily molded contours.Both sides of this piece are also carved symmetrically to the front and feature the same motifs and moldings.A very beautiful piece, rare on the market due to its small dimensions.Dimensions:Base:height: 98 cmwidth: 83 cm at the bottom moldingdepth: 57
