Description

Empire-style lamp candlestick featuring an angel, crafted in bronze gilded with mercury and finished with a brown patina, 19th century. With his left foot resting on a sphere decorated with scales, the angel holds a torch--which serves as a candlestick--in his left hand. The piece rests on a richly chased gilded bronze pedestal and a square, stepped base with a brown patina.Good condition, electrical wiring redone, pleated and embroidered fabric lampshade included (a few signs of wear) Shipping cost to mainland France: EUR20; for other destinations, please contact us for an accurate shipping quote.
