Description

From a private collection, here is a magnificent Polyphon disc music box that operates with coins. Manufactured by the Polyphon company around 1895 in Leipzig, Germany, this music box has a complete comb with no missing teeth. The discs, with a diameter of 40 cm, are included (8 discs total). The walnut case measures 55 x 48 x 25 cm and features superb marquetry on the lid. Inside, there is an original painting of cherubs at play.
