Description

A magnificent antique sheet from my personal collection--an exceptional piece, both for its generous dimensions and for the remarkable fineness of its fabric and the beauty of its embroidery.Made from the finest quality linen thread--of extraordinary fineness, which I call "feather-light"--this summer sheet is of incomparable lightness and suppleness. An airy, delicate fabric of a dazzling white--the likes of which are rarely seen.It features sumptuous white raised embroidery, consisting of an imposing VW monogram surmounted by a crown. The embroidery is particularly remarkable for the finesse of its execution, its play of relief, and the delicacy of its details.Superb embroidered scallops complete this exceptionally refined ensemble.Exceptional dimensions: 260 × 330
