Description

A fairly thin sheet of copper depicting Saint Anthony of Padua holding the infant Jesus in his arms and a lily branch in his hand, with a book resting on the table. Probably painted by a French or Flemish artist in the 17th century. The painting is set in an antique, blackened, molded wooden frame; without the frame, the copper measures 22.7 x 17.1 cm. The copper shows some old restorations, particularly in the dark background at the bottom.
