Description

Decorative Oil Painting on Canvas - Genoa, Late 19th CenturyElegant decorative oil painting on canvas dating from the late 19th century, originating from a historic Genoese palazzo.The neoclassical-inspired composition depicts a large ornamental urn with gracefully curved handles, embellished with delicate trailing foliage and set within a refined painted architectural framework.The decoration features a harmonious combination of ochre, sage green and brown tones, enriched by four ornamental rosettes and an upper border decorated with geometric and floral motifs.An especially interesting feature is the additional painted decoration on the reverse, depicting a bird perched on a branch within a geometric border against a green background.The painting was originally used as a decorative panel
