Large Pair Of Reflector Wall Sconces

1 900 EUR

Period : 19th century

Condition : Très bon état

Material : Gilted wood

Width : 56

Height : 74

Description

Large pair of wall sconces with mirror backs, made of gilded wood, Italy, circa 1800-1820; the gilding and carving are a beautiful color, and they mirror each other: the shell at the top curves to the left on one, to the right on the other, and the decoration is different, which gives them an added charm
