19th-century Spanish Bench

1 600 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Length : 232

Height : 87

Depth : 45

Description

Rustic Spanish bench, likely from the 19th century, but possibly older.Made of solid walnut. The bench features a long, straight backrest, a deep wooden seat, and a simple base with solid legs and crossbars.The structure features exposed iron nails and fasteners. The wood has a dark patina with obvious signs of long-term use, including wear and tear, as well as surface irregularities.Dimensions: 232L x 87H x 45P49SH
