Watering Can. Iran, 900-1100 Ad

1 000 EUR

Signature : Iran, Caucase.

Period : Before 16th century

Condition : Très bon état

Material : Bronze

Diameter : 9 cms

Height : 17,5 cms

Description

This 9th-11th-century water sprinkler is characteristic of Khurasan water sprinklers. Its very contemporary shape is reminiscent of the works of Diego Giacometti.
