Havilland Porcelain Plates

240 EUR

Period : 20th century

Condition : Très bon état

Diameter : 24 & 22 cm

Description

Set of 26 plates (13 medium and 13 large) made of Limoges porcelain by Haviland, Shalimar pattern from the Compagnie des Indes collection (produced from 1971 to 1992). The design is inspired by Asia, featuring flowering branches, chrysanthemums, and butterflies on a twisted wing in relief. The set includes two color schemes: a polychrome design in blue, green, and red, and a design in shades of pink and brown. Each plate is marked on the back.Dimensions: Large plate--Diameter 24 cm & Medium plate--Diameter 22 cm
