Description

An elegant pair of Globe Wernicke London bookcases in oak, from the late 19th century-early 20th century from England.A lovely pair of bookcases that stands out for its large size. Indeed,, they feature very deep compartments, allowing for the storage of large books and objects in every section. This is truly rare; we never come across pieces quite like these.A very beautiful design that can be placed together to form a large bookcase, or separately. Each has a drawer at the base.Bookcases with plenty of character, featuring metal hardware on the sides. The glass panels slide inside the cabinet.They can be used as bookcases or display cabinets.In perfect condition and with a beautiful patina.These bookcases match perfectly into both traditional and contemporary interiors.Depth
