Description

Pair of MD mahogany bookcases. Each one consists of four modular units (5 beveled glass doors, 3 solid doors) and a base with a drawer at the bottom. Beautiful varnished finish, brass knobs. Good overall condition The MD (Martin Dupuis) brand is a French brand from the 1920s. It invented and marketed a completely new concept in high-end, fully modular furniture, emblematic of vintage design from the 1950s to the 1970s.
