Nigeria, Cham-mwana People, 19th Century, Kwandalha Anthropomorphic Vessel.

350 EUR

Period : 19th century

Condition : Bon état

Material : Terracotta

Description

A superb and rare anthropomorphic Kwandalha vessel, or healing pot, known as a Cham-Mwana from Nigeria, made of terracotta and dating from the 19th century. This piece is comparable to a similar model in the Barbier-Mueller Collection in Geneva, listed in the inventory and in the museum's book on African terracotta.Beautiful, crusty patina.In good condition except for an old chip near the eye, which does not detract from its beautiful appearance.Dimensions: Height 27 (cm) without the wooden ring serving as its base.We take special care with our packaging by using optimal protective materials. Shipping includes insurance. Shipping rates: Metropolitan France: 25 euros; European Union countries and Switzerland: 35 euros; Eastern European and Maghreb countries: 65 euros; United States,
