Description

Important pair of large girandole candelabra in finely chased and mercury-gilded bronzeLouis XVI-Directoire transitional period, circa 1780-1820.This remarkable pair of candelabra features an elegant, architecturally inspired composition, characteristic of the neoclassical taste of the late 18th century.Each consists of eight sinuous, finely chased arms emerging from a rich decoration of acanthus leaves and arranged around a central urn serving as a base.The richness of the ornamentation, the quality of the chasing, and the beautiful gilding lend this pair a striking decorative presence and great elegance.In very good condition. Beautiful original gilding.Height: 82 cm.
